Construction activity

A number of major developments are under way on campus in 2013. For updated versions of this map, please go to www.deakin.edu.au/maps and for major project information go to www.deakin.edu.au/about/facilities/index.php

Parking

Please note that there is no on-campus parking for visitors unless special arrangements have been made. Information about car parking in the surrounding area is available at www.geelongaustralia.com.au/community/parking

On-campus parking for staff and students is also very limited, so you are encouraged to seek alternatives such as public transport or cycling, or to carpool. For more information go to www.deakin.edu.au/travelsmart/carpooling-intro.php or www.viclink.com.au. To park on campus, you will need a parking permit. Staff and students can buy long- or short-term permits from the Cashier or Deakin Central, or day permits from the permit vending machine in Car Park 2. Please note that buying a permit allows you to park in defined zones, but does not guarantee that a space will be available. See www.deakin.edu.au/parking. If you cannot find a space on campus, you will need to make other arrangements.

Smoking

Smoking is not allowed in, or within 10 metres of, University buildings or where there is a no smoking sign.

Security

Security Officers are available on campus **24 hours a day, seven days a week**. Call 222 from any internal phone, or 1800 062 579 or 5227 8222 from any phone. Subject to availability, a Security Officer can accompany you to your vehicle or another location on campus whenever you do not feel comfortable making the trip alone. Call 10 minutes before you wish to leave. For more information, collect a Security brochure from Deakin Central or go to www.deakin.edu.au/security
